

# Quality Policy

Name	SI-QMS-001
Revision	2
Author	Neil Robertson
Effective Date	22 April 2026

SCION Instruments design, develop, manufacture and support a range of Gas Chromatography (GC), Liquid Chromatography (LC), Mass Spectrometry (MS) instrumentation and software found at the heart of complex analytical solutions.

## Our Mission – One SCION, Built to Win

**" Enabling scientific advancements through innovative analytical solutions is our passion "**

SCION focuses on six strategic priorities which are essential to delivering quality and achieving our strategic goals:

- **Customer First**
  - **Prioritise Quality in All Areas**
  - **Develop People & Strengthen Our Culture**
  - **Drive Product & Roadmap Execution**
  - **Drive Service & Aftermarket Growth**
- **Commercial Excellence**

SCION Instruments is committed to consistently meet requirements, enhance customer satisfaction, and continually improve the effectiveness of our Quality Management System.
